

# Maryland-National Capital Homecare Association

MNCHA is the trade association for in-home care companies in Maryland and the District of Columbia including private duty, DME, and Medicare-certified home health providers and the companies that support them.

**MNCHA's impact is only as strong as our member base.** Our agenda is completely member-driven, and member involvement is encouraged in all aspects of our work. Get involved, stay involved – join today!

## Advocacy

- Robust relationships with State agencies, boards and commissions
- Federal and State lobby days
- Legislative action to address specific provider issues (e.g. DME licensure)

## Education

- Targeted member-driven educational programs and trainings online/in person
- Flexible, affordable, real-time trainings on emerging issues

## Networking

- Free quarterly sector meetings (DME, Private Duty, Home Health)
- Two networking conferences per year – Annual Meeting and Advocacy Day

## Other Member Support Services

- Liaison with Medicaid and private payers
- Expert advice on licensing and regulation
- Emergency Preparedness education
- Regular members-only e-newsletter
