

PDGM Readiness: Get the Information You Need to Succeed

Dear Members,

I am delighted to share with you some important resources, compliments of Fazzi Associates, to help you prepare for, transition to and succeed under the Patient-Driven Groupings Model (PDGM) scheduled to take effect in January of 2020.

First, if you have not yet done so, you'll want to see the CMS estimated projection on your revenue under PDGM given your current population. You can do so with this [Simplified Look-Up Tool](#).

Secondly, Fazzi Associates is conducting a series of complimentary webinars...

- The series began with "PDGM Readiness – The Journey Begins" which you can download and get the handouts for [here](#).
- And, you can sign up for the future webinars at this [link](#). The next one is "PDGM Readiness – What About Therapy?" and is scheduled for Tuesday, January 8 at 1:00 EST. Register even if you can't make it live, because you'll automatically get the recording and handouts e-mailed to you after the fact.

If you have questions about this information, please e-mail info@fazzi.com. We will continue to keep you updated about resources to help you plan for PDGM.
