

# Value of Membership

*Home Health | Private Duty | Durable Medical Equipment*

The Maryland-National Capital Homecare Association (MNCHA) is the trade association for the homecare sector in Maryland. We represent both non-profit and for-profit health care providers in Maryland and Washington, D.C. MNCHA members believe that in a time of rapidly escalating healthcare costs, patients deserve to be treated with dignity and be given a chance to receive care in their homes surrounded by their friends and loved ones.
